

MUSEUM OF THE FORGOTTEN WARRIORS

NEWSLETTER

2018-1

The museum's board of directors met at 9:30 a.m., March 31, 2018. One of the items discussed as new business was the creation of a museum newsletter that would keep the museum volunteers informed of current activities. This newsletter will be distributed periodically as an email attachment.

The passing of Dann Spear, creator and curator of the museum, required an adjustment of board member officer responsibilities.

The Museum of the Forgotten Warriors will continue to operate as it always has. We are following in Dann's footsteps as best we can. We understand his commitment to veterans and their families and will continue to serve the community. Our hours are Saturday from 10:00 a.m. to 3:00 p.m. from October to June. Because of the summer heat, June begins our Saturday summer hours of 9:00 a.m. to 1:00 p.m.

If you would like to schedule a special visit or a group tour, contact Don Schrader at 530-682-0674. We are always open on Veterans Day, November 11, and Memorial Day, May 28, this year. Thank you all for your continued support. Overcome and adapt is what my husband taught me and that is my plan.

Best Regards,

Roberta Spear
